School Overview

Mission

The mission of Roadrunner School is to prepare all students for the future demands of a changing society. The cornerstones for achieving this mission include diverse experiences; quality educational programs; and staff, community and parental partnerships provided in a safe, nurturing, developmentally appropriate environment.

Organization and Philosophy

- Pre K-6 Elementary
- Self-contained Classrooms
- Team Teaching
- Departmentalized Classrooms

Instructional Programs

- Comprehensive Curriculum
- Drug/Alcohol/Tobacco Prevention Programs
- Programs for English Language Learners
- Gifted Programs
- Technology Teaching/Learning Station
- Head Start
- Special Education Preschool
- Cross Catagorical Kindergarten

School/Academic Goals

- To initiate the implementation of the renewed Science curriculum by demonstrating an understanding of the meaning of the objectives and tasks and selecting materials that focus on an inquiry-based process.
- To continue the implementation of district and state assessments by accurately administering them, interpreting and evaluating their results to plan/modify instruction, and developing and utilizing efficient record-keeping strategies.
- To continue the implementation of appropriate instruction for English Language Learners by utilizing assesment results to plan and make instructional decisions and by using the strategies of co-teaching and peer modeling to provide instruction.
- To continue to design, train staff, and implement school-wide prevention programs.

Shared Responsibilities

School

Roadrunner School is committed to providing environments in which all children can learn and where decisions are made in the best interests of children. We will uniquely exhibit the following qualities: A positive, productive, safe environment; supportive, consistent leadership; focused, effective instructional practices; consistent, systematic monitoring of student progress; a parent and community service orientation; and opportunities for professional and personal development.

Parents

Parent participation in their child's education is very important. Parents agree to see that their child comes to school on time every day he/she is not ill; reply promptly to all messages, notes, and calls; encourage their child to respect the rights of others and obey school rules. Parents are to encourage their child to read and complete homework each day and to show a genuine interest in his/her progress.

Transportation Policy

The safe transportation of students to and from school is the primary function of the Transportation Department. Bus riding is a privilege extended to students through Board policy. Students are to conduct themselves while on the bus, before boarding the bus and after leaving the bus, in a manner consistent with established bus safety standards. Students shall conform with all policies and regulations relating to conduct on school buses.

v Indicators of Success v

Information provided on this page is based on historical data, primarily from the previous school year, 2001-02.

2001-02 School Achievements/Accomplishments

- Implemented the seven strands of the Language Arts Curriculum: Reading, writing, spelling, Handwriting, speaking, listening, and critical viewing.
- Implemented activities designed to teach the appropriate administration of the new reading assessment.
- Implemented instructional strategies appropriate for teaching English Language Learners.
- Designed, trained staff, and implemented school-wide prevention programs.

Student Information: 2001-02 Student Activity Rates

	School	Arizona K-6	Arizona 7-8	Arizona 9-12
Attendance Rate	96.0 %	95.0 %	94.0 %	94.0 %
Transfers Out [4]	24.0 %	19.6 %	19.5 %	20.5 %
Transfers In [5]**: Within District**	1.7 %	2.7 %	2.2 %	2.0 %
Transfers In [5]**: Out-of-District**	12.5 %	9.7 %	9.6 %	9.5 %
Promotion Rate [6]	99.7 %	98.4 %	97.8 %	94.8 %
Retention Rate [7]	0.3 %	1.5 %	2.1 %	5.2 %
Dropout Rate [8]	NA			9.5 %
Status Unknown [9]	NA			6.0 %

Students reported as "dropouts" who may have returned to school for the following academic year are not accounted for in this report.

4 Transfers Out: Percentage of accountable students withdrawing to continue studies in another school or to be taught at home for the 2001-02 school year.

5 Transfers In: Within District: Percentage of accountable students entering school who were previously enrolled in another Arizona public school within the school district during the 2001-02 school year. Out-of-District: Percentage of accountable students entering school who were previously enrolled in another school district during the 2001-02 school year.

6 Promotion Rate: Percentage of students promoted to the next grade or who met graduation requirements and received a traditional diploma at the end of the 2001-02 school year. Percentage includes students who left school at age 22 or who had completed school and received a non-traditional diploma.

7 Retention Rate: Percentage of students retained at the end of the 2001-02 school year.

8 Dropout Rate: Percentage of students counted as withdrawn due to chronic illness, expulsion or dropping out during the 2000-01 school year, to include activity during the summer of 2001. This rate includes students who were withdrawn after 10 consecutive days of unexcused absences or were coded by the school as "status unknown." The Promotion Rate, Retention Rate, Dropout Rate and Status Unknown Rate may not add to 100% due to the inclusion of summer activity in the Dropout Rate and the Status Unknown Rate but not in the Promotion Rate and Retention Rate. Data for 2001-02 is not yet available.

9 Status Unknown: Percentage of students unaccounted for by any method during the 2001-02 school year. Status unknown students are not necessarily dropouts.

v School Honors v

Awards or special recognition honors received by the school, staff or students:

Award/Honor	Year
Arizona Commission on the Arts Grant	2001
Westside Food Bank Winner	2001
Phoenix Arts Commission Grant	2001

V Academic Achievement Indicators V

Arizona's Instrument to Measure Standards (AIMS) is designed to measure student achievement of the Arizona Academic Standards. Effective with the high school Class of 2006 (eighth graders in 2001-02), students must "Meet the Standard" or "Exceed the Standard" on all portions of AIMS or pass an AIMS Equivalent Demonstration (subject to approval by the state Board of Education) in order to be eligible for a high school diploma. High school students who did not attain "Meets the Standard" or "Exceeds the Standard" in reading, writing and mathematics will have additional opportunities to retake the test in their junior and senior years. Students in grades 3, 5, and 8 also take AIMS.

AIMS Results[1], 2001-02

Legend

MS - The Mean Scale Score (average) on a 200-800 scale. A student must have achieved a scale score of 500 to meet the standard. Scale scores are not comparable among content areas.

FFB - Percent of students who Fell Far Below the standard

A - Percent of students who Approached the standard

M - Percent of students who Met the standard

E - Percent of students who Exceeded the standard

V Mathematics Education and AIMS V

On April 24, 2000, the state Board of Education amended the high school graduation requirements to include the following: "Effective with the graduating class of 2004, the two required math credits shall be taken consecutively beginning with the ninth grade and course content shall reflect Academic Standards preparation for proficiency at the high school level." Parents should verify with the school that their ninth grade students are enrolled in one or more mathematics courses that provide instruction in the state Board-adopted mathematics standards that lead to proficiency in high school. Students who begin the ninth grade during the 2001-02 school year should be enrolled in a mathematics sequence that is aligned to the state's mathematics standards and includes instruction in the concepts and performance objectives that will be assessed by AIMS. The Board's amendment to the high school graduation requirements should not be interpreted to mean that all ninth grade students must be enrolled in any *particular* course. **The Board's intent is to assure that all ninth grade students are enrolled in courses that prepare students for success on AIMS**.

V Academic Achievement Indicators V

Since 1997, students have been tested in reading, language and mathematics using the *Stanford Achievement Test, Ninth Edition*, a standardized, nationally norm-referenced test. Since 1999, all students in grades 2 through 9 have been tested using the Stanford 9, though other grades have been tested in the past (grades 10-12 in 1997 and 1998, grades 10-11 in 1999 and 2000, and grade 1 reading in 2001).

The percentage (%) of eligible students tested and the school's percentile ranks are presented below. State average percentile ranks (AZ) are provided for comparison. Note that the average percentile ranks for the nation are 50 for all content areas in all grades.

Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten students have been replaced with (**) to protect student privacy. Some columns contain dashes (--) to indicate "not applicable" or "no data available."

V Measure of Academic Progress V

Arizona's Measure of Academic Progress (MAP) is an indicator of student academic growth from one year to the next. The results are based on the *Stanford Achievement Test, Ninth Edition* (Stanford 9), given in 2001 and 2002. MAP includes only those students who were tested both years in consecutive grade levels at the same school or who started the school year in the same school in which they were tested in 2002. A student achieves One Year's Growth (OYG) if he or she remains in the same Stanine[9] or advances a Stanine from one year to the next. The percentage of students achieving OYG at the school is reported below.

[9] Stanines are normalized standard scores that range from a low of 1 to a high of 9, with 5 designating average performance. National Stanines, like National Percentile Ranks, indicate a student's relative standing in the national norm group (Source: Harcourt Educational Measurement).

The MAP is an elementary school (Grades 2-8) indicator only.

V School Safety V

The purpose of this section is to provide parents information about what the school is doing to promote a safe and healthy learning environment.

School-level Efforts to Ensure a Safe and Healthy Learning Environment

Each school within the Washington School District has Crisis Management Guidelines and a comprehensive Safety Plan. The plans are based on the district's Crisis Manual which contains vital information necessary to assist in any emergency. In addition, Roadrunner has a Crisis Response Team that can be mobilized in the event of an emergency to assist in providing information and assistance to students, staff, families, and community.

Total number of incidents that occurred on the school grounds that required the intervention of local, state or federal law enforcement (A.R.S. § 15-746.6). **0**

School uniforms are not required at this school.

The Arizona Attorney General's Office has a hotline that allows students to report suspicious activities at schools and to get help with potentially violent situations, such as bullying, harassment, hate crimes, discrimination and gangs. The toll-free number, **1-877-900-1086**, is anonymous and available 24 hours a day.

The Arizona School Report Card was prepared by the Arizona Department of Education using a standardized format to combine information provided by the local school with data compiled from state records. Each school has special strengths and needs, and all schools benefit from the active involvement of parents in their children's education. If you have questions about the report card or need more information, contact the school office. Arizona School Report Cards can be found for all schools at www.ade.az.gov/srcs/ on the Internet.
