

ARIZONA SCHOOL REPORT CARD ACADEMIC YEAR 2004-05

1829 N Grand, Mesa, AZ 85201

Mesa Unified District

Arizona's report cards have been revised to include requirements in the federal No Child Left Behind Act, such as Adequate Yearly Progress and the disaggregation of student level data into required subgroups.

AZ LEARNS¹

Elementary Achievement Profile (a)

2003-04 Performing
2002-03 Performing
2001-02 Improving

(a) For additional information, please refer to Achievement Profiles Page near end of document.

School Overview

Principal/Administrator : Mrs. Andrea Lee Erickson
Schedule : PM to PM
Grades :
2004 Enrollment : 755
Web Address :
Phone Number : (480) 472-5000
Fax Number : (480) 472-5058
E-mail : alericks@mpsaz.org

Mission

Each child is an individual, unique in their own way, and very different from others. We, as educators, must carefully analyze each child so that we may successfully understand them, be able to effectively meet their needs. We must develop each child to reach his/her maximum potential; socially, academically, physically and emotionally. Each and every staff member that comes in contact with a child has a direct influence on them. All decisions are based on the premise of what is best for the child.

No Child Left Behind

Adequate Yearly Progress (b)

2003-04 Met
2002-03 Met
2001-02 N/A

School Improvement Status (b)

2003-04 N/A
2002-03 N/A
2001-02 N/A

(b) For additional information, please refer to the AYP page in this report card.

School / Academic Goals

- Each child will be given the opportunity to progress and achieve one year's growth in all academic areas.
Students will successfully show mastery on math district CRT's and Stanford tests.
Teachers will teach a reading block with a minimum 90 minutes per day. By third grade, students will be proficient readers.
To help children develop and experience success in their daily experiences.

Enrollment

October 1, 2003 School Year Student Enrollment : 730
Accepting New Students in 2004-05 Under Open Enrollment Law : 2 Yes
Number of Students Attending Under Open Enrollment in 2003-04 : 72

Instructional Programs

- Ü All Day Kindergarten
- Ü Accelerated Reader (Reading Program)
- Ü Reading First
- Ü Native American Language Enrichment
- Ü Accelerated Math
- Ü Step Up to Writing
- Ü Intervention Classroom
- Ü Attendance Program

Calendar Information

Number of Instruction Days :	180
Average Daily Instruction Time :	6 hours 0 minutes
First Day of School :	8/12/2004
Last Day of School :	5/25/2005

Shared Responsibilities

School

Provide a safe environment. Provide a variety of learning environments at each grade level. Provide an atmosphere in which each child will succeed and be challenged at his or her academic level. Provide on-going meaningful professional development.

Parents

Healthy students should be in school on time. Acknowledge and return teacher communications. Provide a daily homework environment. Support school and classroom rules. Hold their child accountable for their actions.

Transportation Policy

Busing is provided for students living more than one mile from their assigned school. Busing is not provided for open enrollment students. Specialized transportation for special education students is addressed in the IEP.

School Honors

Awards or Special Recognition Received By the School, Staff or Students

Award/Honor	Year
Ü MPS Teacher of the Month	2004
Ü Spot on Master Teachers	2004
Ü One Student Won the Martin Luther King Award	2004
Ü Mesa Tribune Spot Light on Teachers	2004

No AIMS test data found for this school.
The AIMS is administered only to Grades 3,5,8,10.

No AIMS test data found for this school.

The AIMS is administered only to Grades 3,5,8,10.

The graph includes the percentage of students that met or exceeded the standards. NC = Not Calculated. Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten (10) students have been replaced with NC.

ADEQUATE YEARLY PROGRESS (AYP) FOR SCHOOL YEAR 2003-04

The table below shows the schools that met or did not meet based on federal AYP requirements. To meet AYP for the year, all applicable goals must be met. If Adequate Yearly Progress (AYP) is different from the AYP Determination Page, it is due to an appeal and the underlying data is not changed.

AYP Determination	Met Percent Tested?	Y
	Met Test Objectives?	Y
	Met Attendance Rate?	Y
	Met Graduation Rate?	Not Evaluated
	Made AYP?	Yes

Glossary:

Adequate Yearly Progress

A measure of school performance as mandated by the federal government in the No Child Left Behind. AYP holds schools accountable for the performance of subgroups, as well as all students. AYP measures school toward the goal of having 100 percent of all students proficient in state standards for reading and math by 2013-14.

Met Percent Tested:

The school or district tested at least ninety-five percent (95%) of its students enrolled at the time of the test administration. Schools and districts must test at least 95 percent of their student in order to make AYP.

Met Test Objectives:

The percentage of students in the school or district that demonstrate proficiency in state standards by passing the AIMS test meets or exceeds the goal for that year. No Child Left Behind requires that Arizona set goals, called Annual Measurable Objectives, for the percentage of students passing AIMS for all public schools and districts in the state. The goals increase over time toward 100 percent passing by 2014. To meet the test objectives, every subgroup in the school must meet the Annual Measurable Objective.

Met Attendance Rate:

The school or district had an attendance rate of at least 94 percent over the first 100 days of the academic year. Schools and districts not serving high school students must have an attendance rate of 94 percent, or show a one-percentage-point improvement over the previous year, in order to make AYP.

Met Graduation Rate:

The school or district had a four-year graduation rate of 71 percent or greater. School or districts granting a high school diploma must have a graduation rate of 71 percent, or show a one-percentage-point improvement over the previous year, in order to make AYP.

School Improvement - Year 1:

Schools that have not made adequate yearly progress for two consecutive years are required to be identified for school improvement. These schools must write a school improvement plan, set aside funds for teacher training, implement the plan and offer Public School Choice (transportation) to the parents of all students attending the school.

School Improvement - Year 2:

Schools that have not made adequate yearly progress for three consecutive years are identified for school improvement for the second year. These schools must continue the school improvement requirements from Year 1. In addition, they must offer Supplemental Educational Services (tutoring) to the parents of eligible students attending the school.

Corrective Action:

Schools that have not made adequate yearly progress for four consecutive years are identified for Corrective Action. These schools must continue the school improvement requirements from Year 2. In addition, the district or charter holder must implement one corrective action from a list of six possible actions as stated in the No Child Left Behind Act of 2001.

For More Information on AYP, visit our website at www.ade.az.gov/azlearns and go to NCLB link

No SAT-9 test data found for this school.
The SAT-9 is only administered to Grades 2-9.

The Stanford 9 is a standardized, norm-referenced test. Since 1999, all students in grades 2 through 9 have been tested in Reading, Mathematics and Language. The percentage (%) of eligible students tested and the school's percentile ranks are listed above. State average percentile ranks for Arizona and District are provided for comparison. Note that the average percentile ranks for the nation are 50 for all content areas in all grades. Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten students have been replaced with NC (not calculated) to protect student privacy. Some columns contain dashes (-) to indicate "no data available."

School Site Council

Council Composition

- 1 School Administrator(s)
- 2 Non-certified Employee(s)
- 3 Teacher(s)
- 3 Parent(s)
- 0 Community Member(s)
- 0 Student(s)

Council Duties

Indicators of Success Based on Historical Data from 2003-04

School Achievements/Accomplishments 2003-04

- ü Continued increase in the number of healthy students in daily attendance as evidenced by the decreased number of daily student absences.
- ü Parent Math Night provided an opportunity for students to teach parents math strategies. Numbers of students achieving Math Facts Club membership has increased.
- ü Increased attendance at our Family Literacy Nights.
- ü Accomplishment in meeting our students' academic goals.

Student Activity Rates for School Year 2003-04

		Arizona		
		% K-6	% 7-8	% 9-12
Attendance Rate ⁴	93	95	93	95
Transfers Out ⁵	0	21	20	24
Transfers In ⁶ (Within District)	8	2	2	2
Transfers In ⁷ (Out of District)	0	10	9	9
Promotion Rate ⁸	99	98	98	94
Retention Rate ⁹	0	1	1	5
Dropout Rate ¹⁰	--	NA		3
Status Unknown ¹¹	--			2
Graduation Rate ¹²	--			77

NA = Dropout Rate, status unknown and graduation rate does not apply to K-8. Dashes (--) = data not verified or school did not submit data.

Measure of Academic Progress

No MAP data found for this school.

The MAP is an elementary school (Grades 2-8) indicator only.

Arizona's Measure of Academic Progress (MAP) is an indicator of student academic growth from one year to the next. The results are based on the Stanford Achievement Test, Ninth Edition (Stanford 9), given in 2003-04. MAP includes only those students who were tested both years in consecutive grade levels at the same school or who started the school year in the same school in which they were tested in 2004. A student achieves One Year's Growth (OYG) if he or she remains in the same Stanine or advances a Stanine from one year to the next. There are two exceptions to this growth: 1) Students who begin in stanine 9 and move to stanine 8 will make OYG and 2) Students that stay in stanine 1 from one year to the next will not make OYG. The percentage of students achieving OYG at the school is reported above.

NC = Not Calculated (less than 10 matches) Dashes (--) = No Data Available

Stanines are normalized standard scores that range from a low of 1 to a high of 9, with 5 designating average performance. National Stanines, like National Percentile Ranks, indicate a student's relative standing in the national norm group (Source: Harcourt Educational Measurement).

School Safety

School-level Efforts to Ensure a Safe and Healthy Learning Environment

We strive to keep a safe environment for our students and teachers. The Safety Committee meets monthly. Students are expected to follow safety rules while on campus. We conduct regular fire drills, lock-down procedures and have an emergency plan.

Total number of incidents that occurred on the school grounds that required the intervention of local, state or federal law enforcement (A.R.S.15-746.6) :

3

The Arizona Attorney General's Office has a hotline that allows students to report suspicious activities at schools and to get help with potentially violent situations, such as bullying, harassment, hate crimes, discrimination and gangs. The toll-free number, 1-877-900-1086, is anonymous and available 24 hours a day.

The Arizona School Report Card was prepared by the Arizona Department of Education using a standardized format to combine information provided by the local school with data compiled from state records. Each school has special strengths and needs, and all schools benefit from the active involvement of parents in their children's education. If you have questions about the report card or need more information, contact the school office. Arizona School Report Cards can be found for all schools at www.ade.az.gov/srcs on the Internet. "The Arizona Department of Education of the State of Arizona does not discriminate on the basis of race, religion, color, national origin, sex, disability or age in its programs, activities or in its hiring and employment practices. If you have questions or grievances related to this policy, please contact the Administrative Services DAS at (602) 542-3186."

Arizona's Achievement Profiles capture the performance level of every school.

DEFINITIONS:

Failing to Meet the Academic Standards - needs to meet state performance and state progress goals.

School performance has been designated as Underperforming for three consecutive years and a site review determined that the designation of Failing to Meet the Academic Standards was warranted.

Underperforming - needs to meet state performance and state progress goals.

School receives total scale value placing it in the Underperforming classification. School performance was below the state baseline in 2000/2001 and did not make adequate growth, or the school started above the state baseline and did not make adequate growth during the past three years.

Performing - meets state performance goals, and meets state progress goals.

School receives total scale value placing it in the Performing classification. School performance was at or above the state baseline in 2000/2001 and/or the school made adequate growth during the past three years.

Highly Performing - meets or exceeds state performance and state progress goals and has the requisite percentage of students "Exceeding the Standard" category on AIMS.

School receives total scale value placing it in the Highly Performing classification. School performance was at or above the state baseline in 2000/2001 and/or the school made adequate growth during the past three years. Additionally, the school met the performance threshold required for Highly Performing schools with a certain percentage of their students "Exceeds the Standard" category on the Arizona Instrument to Measure Standards (AIMS) over the past three years.

Excelling - meets or exceeds state performance and state progress goals and has the requisite percentage of students "Exceeding the Standard" category on AIMS.

School performance was at or above the state baseline in 2000/2001 and/or the school made adequate growth during the past three years. Additionally, the school met the performance threshold required for Excelling schools with a certain percentage of their students exceeding the standard on the Arizona Instrument to Measure Standards (AIMS) over the past three years.

1 For an explanation of the Achievement Profiles, please visit our website at www.ade.az.gov/azlearns.

2 Under ARS 15-816, school district governing boards must implement open enrollment programs and establish policies covering admission criteria, application procedures and transportation provisions. For more information, contact the school district office.

3 Arizona's Instrument to Measure Standards (AIMS) includes the reading, writing and mathematics subject areas. AIMS was administered to all students in grades 3, 5, 8, and 10 in the spring of 2000. In the spring of 2001, grades 3, 5, 8, 10 and 11 were tested; students tested in grade 11 consisted of students retaking AIMS who did pass in grade 10 plus any new students. In the spring of 2002, grades 3, 5, 8, 10, 11, and 12 were tested; students tested in grades 11 and 12 were either re-testing or were new. As a result, the number of students tested in grades 11 and 12 is smaller than the number of students tested in grade 10. The proficiency levels include: Falls Far Below (FFB) the standard, Approaches (A) the standard, Meets or Met the standards, and Exceeds. MSS: The Mean Scaled Score (average) on a 200-800 scale. A student must have achieved a scale score of 500 to meet the standard. Scale scores are not comparable among content areas. Migrant, Economically Disadvantaged and Non-Economically Disadvantaged % tested for 2002-03 are not available, however, they will be calculated in the future. The federal law, No Child Left Behind, requires disaggregation in subgroups and ethnicity. NC= Not Calculated. Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten (10) students have been replaced with NC. No Data Available is replaced with dashes (--). For more information on testing and Arizona Academic Standards go to www.ade.az.gov/standards

4 Attendance Rate: Percentage of students attending the first 100 days of the academic year.

5 Transfers Out: Percentage of accountable students withdrawing to continue studies in another school or to be taught at home for the 2003-04 school year.

6 Transfers In (Within District): Percentage of accountable students entering school who were previously enrolled in another Arizona public school within the school district during the 2003-04 school year.

7 Transfers In (Out of District): Percentage of accountable students entering school who were previously enrolled in another school district during the 2003-04 school year.

8 Promotion Rate: Percentage of students promoted to the next grade or who met graduation requirements and received a traditional diploma at the end of the 2003-04 school year. Percentage includes students who left school at age 22 or who had completed school and received a non-traditional diploma.

9 Retention Rate: Percentage of students retained at the end of the 2003-04 school year.

10 Dropout Rate: Percentage of students counted as withdrawn due to chronic illness, expulsion or dropping out during the 2003-04 school year, to include activity during the summer of 2003. This rate includes students who were withdrawn after 10 consecutive days of unexcused absences or were coded by the school as "status unknown." The Promotion Rate, Retention Rate and Dropout Rate may not add to 100% due to the inclusion of summer activity in the Dropout Rate but not in the Promotion Rate and Retention Rate.

11 Status Unknown: Percentage of students unaccounted for by any method during the 2003-04 school year. Status unknown students are not necessarily dropouts.

12 Graduation Rate: The graduation rate presented here is a 5 year cohort rate for the class of 2003. For more information on the Graduation Rate Study published by the ADE, please see our website at www.ade.az.gov/grad.

Printed in Phoenix, Arizona, by the Arizona Department of Education. February 2005

Total cost of printing: 12 Pages X .0318 Per page X 0 Copies = \$0.00

** If total cost of printing = \$0.00, the school elected to only provide the electronic version of the report card.

** Due to booklet size printing, print copies are produced in multiples of 4.
