### ∨ School Overview ∨

#### Mission

Zimmerman Elementary is a multigrade, one room schoolhouse in the Pima Accommodation District which is operated through the Pima County School Superintendent's Office. The school is located on top of Mt. Lemmon in the Santa Catalina Mountain Range in the Coronado National Forest. It is a rural school. Zimmerman Elementary School offers an integrated curriculum based on the Arizona Academic Standards. The school's goal is to enrich and prepare our students for life on and off the mountain.

#### Organization and Philosophy

- w Multiage Classroom
- w Multilevel Curriculum
- w Traditional Rural
- w AZ Academic Standards-based Curriculum

#### Instructional Programs

- w Individualized Instruction
- w Small Learning Environment
- w Computer-Aided Instruction
- w Multifaceted Reading Program
- w Special Education

#### School/Academic Goals

- w To continually improve test scores on the Stanford 9 reading assessment. This will be done by a reading program that uses phonics and children's literature to teach students to read many different materials for a variety of purposes.
- w Improve mathematical thinking and problem solving through the use of direct instruction, manipulatives and application of problem-solving strategies.
- w Improve student's ability to express themselves through the writing process. This will be accomplished in a variety of ways by writing in journals, working in content areas and activities to develop creative expression.
- w Lower absenteeism and tardies through collaboration with the students, parents and community.

∨ **Shared Responsibilities** ∨

**School**

Zimmerman Elementary is committed to enhancing education for each student, as well as providing a safe and orderly environment in which to learn. Supervision and safety concerns are always met, and positive reinforcement of issues results in increased self-esteem and self-image for our youngsters. Communication lines are always open between parents and school; and homework help, field trip chaperones, parent visitations and volunteers are always welcome.

**Parents**

It is the parents' duty to have their child attend school daily and communicate with the school when a child must be absent. Proper clothing and food, as well as transportation, must be provided by parents. We ask parents to attend teacher conferences and notify the school of any problems they encounter in any area relating to the child's welfare. At Zimmerman, we take learning seriously and request that parents reinforce this concept and join in to help us for the betterment of their child.

∨ **Transportation Policy** ∨

Transportation is the responsibility of the parent. Many of our students walk to school. School field trips to Tucson are provided through the use of a school bus with a certified school bus driver or a chartered bus.

<b>Dropout Rate</b> <sup>8</sup>	NA			9.5 %
<b>Status Unknown</b> <sup>9</sup>	NA			6.0 %

**Students reported as "dropouts" who may have returned to school for the following academic year are not accounted for in this report.**

<sup>4</sup> Transfers Out: Percentage of accountable students withdrawing to continue studies in another school or to be taught at home for the 2001-02 school year.

<sup>5</sup> Transfers In: Within District: Percentage of accountable students entering school who were previously enrolled in another Arizona public school within the school district during the 2001-02 school year. Out-of-District: Percentage of accountable students entering school who were previously enrolled in another school district during the 2001-02 school year.

<sup>6</sup> Promotion Rate: Percentage of students promoted to the next grade or who met graduation requirements and received a traditional diploma at the end of the 2001-02 school year. Percentage includes students who left school at age 22 or who had completed school and received a non-traditional diploma.

<sup>7</sup> Retention Rate: Percentage of students retained at the end of the 2001-02 school year.

<sup>8</sup> Dropout Rate: Percentage of students counted as withdrawn due to chronic illness, expulsion or dropping out during the 2000-01 school year, to include activity during the summer of 2001. This rate includes students who were withdrawn after 10 consecutive days of unexcused absences or were coded by the school as "status unknown." The Promotion Rate, Retention Rate, Dropout Rate and Status Unknown Rate may not add to 100% due to the inclusion of summer activity in the Dropout Rate and the Status Unknown Rate but not in the Promotion Rate and Retention Rate. Data for 2001-02 is not yet available.

<sup>9</sup> Status Unknown: Percentage of students unaccounted for by any method during the 2001-02 school year. Status unknown students are not necessarily dropouts.

## ∨ Academic Achievement Indicators ∨

Arizona's Instrument to Measure Standards (AIMS) is designed to measure student achievement of the Arizona Academic Standards. Effective with the high school Class of 2006 (eighth graders in 2001-02), students must "Meet the Standard" or "Exceed the Standard" on all portions of AIMS or pass an AIMS Equivalent Demonstration (subject to approval by the state Board of Education) in order to be eligible for a high school diploma. High school students who did not attain "Meets the Standard" or "Exceeds the Standard" in reading, writing and mathematics will have additional opportunities to retake the test in their junior and senior years. Students in grades 3, 5, and 8 also take AIMS.

### AIMS Results <sup>1</sup>, 2001-02

		Number Tested	MS	FFB	A	M	E
<b>Grade 3</b>	<b>Reading</b>	**	**	**	**	**	**

#### Legend

- MS - The Mean Scale Score (average) on a 200-800 scale. A student must have achieved a scale score of 500 to meet the standard. Scale scores are not comparable among content areas.
- FFB - Percent of students who Fell Far Below the standard
- A - Percent of students who Approached the standard
- M - Percent of students who Met the standard
- E - Percent of students who Exceeded the standard

## ∨ Mathematics Education and AIMS ∨

On April 24, 2000, the state Board of Education amended the high school graduation requirements to include the following: "Effective with the graduating class of 2004, the two required math credits shall be taken consecutively beginning with the ninth grade and course content shall reflect Academic Standards preparation for proficiency at the high school level." Parents should verify with the school that their ninth grade students are enrolled in one or more mathematics courses that provide instruction in the state Board-adopted mathematics standards that lead to proficiency in high school. Students who begin the ninth grade during the 2001-02 school year should be enrolled in a mathematics sequence that is aligned to the state's mathematics standards and includes instruction in the concepts and performance objectives that will be assessed by AIMS. The Board's amendment to the high school graduation requirements should not be interpreted to mean that all ninth grade students must be enrolled in any *particular* course. **The Board's intent is to assure that all ninth grade students are enrolled in courses that prepare students for success on AIMS.**

∨ **Academic Achievement Indicators** ∨

Since 1997, students have been tested in reading, language and mathematics using the *Stanford Achievement Test, Ninth Edition*, a standardized, nationally norm-referenced test. Since 1999, all students in grades 2 through 9 have been tested using the Stanford 9, though other grades have been tested in the past (grades 10-12 in 1997 and 1998, grades 10-11 in 1999 and 2000, and grade 1 reading in 2001).

The percentage (%) of eligible students tested and the school's percentile ranks are presented below. State average percentile ranks (AZ) are provided for comparison. Note that the average percentile ranks for the nation are 50 for all content areas in all grades.

Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten students have been replaced with (\*\*) to protect student privacy. Some columns contain dashes (--) to indicate "not applicable" or "no data available."

∨ **Measure of Academic Progress** ∨

Arizona's Measure of Academic Progress (MAP) is an indicator of student academic growth from one year to the next. The results are based on the *Stanford Achievement Test, Ninth Edition* (Stanford 9), given in 2001 and 2002. MAP includes only those students who were tested both years in consecutive grade levels at the same school or who started the school year in the same school in which they were tested in 2002. A student achieves One Year's Growth (OYG) if he or she remains in the same Stanine<sup>9</sup> or advances a Stanine from one year to the next. The percentage of students achieving OYG at the school is reported below.

<sup>9</sup> Stanines are normalized standard scores that range from a low of 1 to a high of 9, with 5 designating average performance. National Stanines, like National Percentile Ranks, indicate a student's relative standing in the national norm group (Source: Harcourt Educational Measurement).

**The MAP is an elementary school (Grades 2-8) indicator only.**
