### Mission

The Fourth Avenue staff fosters a positive learning environment in which students are provided life skills and challenges necessary to become successful in achieving academic excellence. It is our goal to teach our students math, reading, and writing skills that will facilitate a successful education.

### School / Academic Goals

- ü Increase percentage of students making at least one year's growth in reading and math as measured by the AIMS-DPA Test and District assessment. Decrease the number of EL students by offering High Point English Immersion.
- ü Increase teacher performance through increased utilization of effective instructional strategies/practices. Extensive professional development is offered to all teachers in order that they may increase their skills and update their methodology.
- ü Improve management through inclusion of leadership team, site council, parents, staff and students in the planning and support of the school programs.
- ü Build a cohesive staff, which in made up of Highly Qualified teachers who are dedicated to doing whatever is necessary to motivate and help our students increase their academic performance.

Shared Responsibilities

School

Provide a safe environment for learning. Offer challenging instruction in a respectful environment. Communicate and work with families to support learning. Respect the cultural differences of students and their families.

Parents

Parents are asked to see that their child attends school regularly, to support the school in its effort to maintain proper discipline, abide by the dress code, establish a time for supervised homework, encourage their child's efforts and be available for conferences concerning their child's progress and behavior.

Transportation Policy

Transportation is provided for students living more than one mile from the campus. Students are responsible for proper conduct on the bus to and from school.

Recent Trends in Student Proficiency on the State Standards (AIMS Test)

8th Grade Proficiency

The graph includes the percentage of students that met or exceeded the standards. NC = Not Calculated. Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten (10) students have been replaced with NC.

The table below shows the schools that met or did not meet based on federal AYP requirements. To meet AYP for the year, all applicable goals must be met.

Glossary:

Adequate Yearly Progress

A measure of school performance as mandated by the federal government in the No Child Left Behind. AYP holds schools accountable for the performance of subgroups, as well as all students. AYP measures school toward the goal of having 100 percent of all students proficient in state standards for reading and math by 2013-14.

Met Percent Tested:

The school or district tested at least ninety-five percent (95%) of its students enrolled at the time of the test administration. Schools and districts must test at least 95 percent of their student in order to make AYP.

Met Test Objectives:

The percentage of students in the school or district that demonstrate proficiency in state standards by passing the AIMS test meets or exceeds the goal for that year. No Child Left Behind requires that Arizona set goals, called Annual Measurable Objectives, for the percentage of students passing AIMS for all public schools and districts in the state. The goals increase over time toward 100 percent passing by 2014. To meet the test objectives, every subgroup in the school must meet the Annual Measurable Objective.

Met Attendance Rate:

The school or district had an attendance rate of at least 90 percent over the first 100 days of the academic year. Schools and districts not serving high school students must have an attendance rate of 90 percent, or show a one-percentage-point improvement over the previous year, in order to make AYP.

Met Graduation Rate:

The school or district had a four-year graduation rate of 71 percent or greater. School or districts granting a high school diploma must have a graduation rate of 71 percent, or show a one-percentage-point improvement over the previous year, in order to make AYP.

Starting in Spring 2004-05, students were tested using AIMS DPA and TerraNova. AIMS DPA is a statewide assessment that is both standards-based, measuring student's knowledge against the Arizona Academic Standards, and norm-referenced, comparing student knowledge against students nationwide. TerraNova was administered to all students in grades 2 and 9. It is important to note the TerraNova/AIMS DPA and Stanford 9 test results are not comparable. For more information on the TerraNova and AIMS DPA, see our website at [www.ade.az.gov/standards/](http://www.ade.az.gov/standards/)

The Stanford 9 is a standardized, norm-referenced test. Since 1999, all students in grades 2 through 9 have been tested in Reading, Mathematics and Language. The percentage (%) of eligible students tested and the school's percentile ranks are listed above. State average percentile ranks for Arizona and District are provided for comparison. Note that the average percentile ranks for the nation are 50 for all content areas in all grades. Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten students have been replaced with NC (not calculated) to protect student privacy. Some columns contain dashes (-) to indicate "no data available."

Indicators of Success Based on Historical Data from 2005-06

School Achievements/Accomplishments 2005-06

- ü Our band and choir won awards at various festivals. Our art students display their art work around school as well as display their art work at a local art show.
  
- ü Several of our students have won writing awards. This is just one of the many instances we have had, which show that we are making good progress.
  
- ü We have over 100 parents who attend evening classes regularly. We provide lessons in English and GED preparation and work with parents to help them learn how to help their children in school.
  
- ü One of our students was chosen to attend Leadership conference in DC this summer. The student qualified for his high science scores and his ability to write a convincing essay. Five of our students won a District poetry contest

School Safety

School-level Efforts to Ensure a Safe and Healthy Learning Environment

The school has implemented the assistance of a School Resource Officer and Talent Search Tutoring Program to ensure a safe and orderly learning environment through the local college. The counselor runs mediation hearings to decrease truanancies. We have a full time parent liaison to communicate with parents regarding many issues such as discipline, tardies, absences, and helps with the site council. We are an active part of the Safe Schools Initiative to insure student safety.

The Arizona School Report Card was prepared by the Arizona Department of Education using a standardized format to combine information provided by the local school with data compiled from state records. Each school has special strengths and needs, and all schools benefit from the active involvement of parents in their children's education. If you have questions about the report card or need more information, contact the school office. Arizona School Report Cards can be found for all schools at [www.ade.az.gov/srcs](http://www.ade.az.gov/srcs) on the Internet. "The Arizona Department of Education of the State of Arizona does not discriminate on the basis of race, religion, color, national origin, sex, disability or age in its programs, activities or in its hiring and employment practices. If you have questions or grievances related to this policy, please contact the Administrative Services DAS at (602) 542-3186."

Arizona's Achievement Profiles capture the performance level of every school.

### DEFINITIONS:

Failing to Meet the Academic Standards - needs to meet state performance and state progress goals.

School performance has been designated as Underperforming for three consecutive years and a site review determined that the designation of Failing to Meet the Academic Standards was warranted.

Underperforming - needs to meet state performance and state progress goals.

Performing - meets state performance goals.

Performing Plus - above state performance goals, however the number of students exceeding the standard on the AIMS test is not sufficient to earn a highly performing or excelling label.

Highly Performing - above state performance goals or has demonstrated adequate improvement, in addition a significant number of students have exceeded the standard on the AIMS test.

Excelling - significantly above state performance goals, in addition a significant number of students have exceeded the standard on the AIMS test.

2 Under ARS 15-816, school district governing boards must implement open enrollment programs and establish policies covering admission criteria, application procedures and transportation provisions. For more information, contact the school district office.

3 Arizona's Instrument to Measure Standards (AIMS) includes the reading, writing and mathematics subject areas. The proficiency levels include: Falls Far Below (FFB) the standard, Approaches (A) the standard, Meets or Met (M) the standard and Exceeds (E) the standard. MSS = Mean Scaled Score. The federal law, No Child Left Behind, requires disaggregation in subgroups and ethnicity. NC= Not Calculated. Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten (10) students have been replaced with NC. For more information on testing and Arizona Academic Standards go to <http://www.ade.az.gov/AIMS/default.asp>

4 Attendance Rate: Percentage of students attending the first 100 days of the academic year.

5 Promotion Rate: Percentage of students promoted to the next grade or who met graduation requirements and received a traditional diploma at the end of the 2004-05 school year. Percentage includes students who left school at age 22 or who had completed school and received a non-traditional diploma.

6 Graduation Rate: The graduation rate presented here is a 5 year cohort rate for the class of 2004. For more information on the Graduation Rate Study published by the ADE, please see our website at [www.ade.az.gov/researchpolicy/grad](http://www.ade.az.gov/researchpolicy/grad).
